

## SILVER BAY LEDGESTONE

### Foundation Series

*Photo Shows Installation With Mortar Joint*

### DESCRIPTION

Silver Bay LedgeStone is an irregular style ledgeStone with a split face texture. It features a range of blue-greys as well as a small range of cream colors. Its diverse range of sizes, textures, and shapes give it an authentic old world feel. It is typically installed with a thin mortar joint, but may be installed in a dry-stacked style with additional cutting and fitting.
