

THE BEAUTY OF NATURE, PRESERVED IN STONE.

ROCKY MOUNT STACKEDPANEL

Foundation Series

Photo Shows Dry-Stacked Installation

DESCRIPTION

Rocky Mount StackedPanel features shades of black with subtle off-white undertones. StackedPanels are staggered panels of stone adhered to a mesh back to allow for quick coursing and intricate detail. Loose filler pieces are available to fill in small gaps at the end of courses. StackedPanels are designed to be installed in a dry-stacked style.
